Busy Semi-Retirement

Several overlapping activities have filled my sojourn into semi-retirement.

Freelance Writer (May 2011 – present)

- Joined 20,000 professional writers contributing to the 13-year-old Suite101 web site.

Census Taker: U.S. Census Bureau (Jun 2010 – Aug 2010)

- My golden retriever got me the job.

Became a Cancer Survivor (July 2010 – Aug 2010)

- Received radiation for head and neck cancer. Currently, I am cancer free.

Web Development / SEO (Sep 2010 – present)

- Acquired proficiency in html, css, Javascript, PHP, JQuery
- Created and maintained a handful of websites including:
 - <http://www.ArborInnMotel.net>
 - <http://www.OakridgeRVPark.com>
 - <http://www.richardwalloch.com>
